DELTONES - LIL RED MONKEY / C.S.A. STRUT (ATMAN) *SOLD*

very rare! one of the best island funk 45s out there imo! heavy & raw instrumental funk out of trinidad on both sides.

WINSTON RICHARDS – LET US GET TOGETHER / GOT TO HAVE YOUR LOVE (TREX) VG+ OFFERS

rare and in demand killer soul/funk, northern doublesider! visually light surface wear. there's some backgroundnoises coming from the pressing itself and a slight warp which doesn't affect play. these imperfections i've noticed on all copies i've seen. there are light repeating noises at the beginning of both sides! "Let Us.." side plays a nice Vg+ the flip has a tiny mark in the last third that also seems to be on all copies, it clicks 3 times but it's really not that bad (clicks can be heard in the clip below at 02:48).
